Generating Excellence: One Team... One Goal

Dear Parents, Staff, and Stakeholders

This message is to notify you of positive cases of COVID-19 on the campuses of Twigg County Middle High School and Jeffersonville Elementary School. The district nurse, administration and the Georgia Department of Public Health (GaDPH) are handling contact tracing and notifying individuals identified as close contacts. Individuals who test positive for COVID-19 or who are identified as close contacts are expected to quarantine as directed by [GaDPH](#) (Quarantine Calculator), and [CDC](#) guidelines. The campuses will not close. Only those who test positive, or those identified as close contacts should quarantine; all other staff and students should report to school as normal. The safety and well-being of our students and staff is one of our top priorities. For more on our District's COVID-19 protocols, use the following link to view our 2021 plan: <https://bit.ly/3C8XJd9>

The mission of Twigg County Public Schools is to inspire, challenge and prepare all students to compete globally.
